

**Stanchester Academy**  
**Year 7 – Spanish – Unit 2: Pasatiempos**

| Los Pasatiempos - Hobbies   |                              |                           | Razones - Reasons                              |                            |                                       |
|-----------------------------|------------------------------|---------------------------|------------------------------------------------|----------------------------|---------------------------------------|
| 1                           | bailar                       | To dance                  | 29                                             | es difícil                 | It's difficult                        |
| 2                           | cantar                       | To sing                   | 30                                             | es tonto                   | It's silly                            |
| 3                           | cocinar                      | To cook                   | 31                                             | es caro                    | It's expensive                        |
| 4                           | dibujar                      | To draw                   | 32                                             | es fácil                   | It's easy                             |
| 5                           | escuchar música              | To listen to music        | 33                                             | es interesante             | It's interesting                      |
| 6                           | hacer equitación             | To do horse riding        | 34                                             | es barato                  | It's cheap                            |
| 7                           | tocar la guitarra            | To play guitar            | 35                                             | es relajante               | It's relaxing                         |
| 8                           | jugar al fútbol              | To play football          | <b>Exclamaciones - Exclamations</b>            |                            |                                       |
| 9                           | leer libros                  | To read books             | 38                                             | ¡Qué aburrimiento!         | How boring (lit: what boredom!)       |
| 10                          | salir con amigos             | To go out with friends    | 37                                             | ¡Qué guay!                 | How cool!                             |
| 11                          | nadar                        | To swim                   | 38                                             | ¡Qué bien!                 | Nice one!                             |
| 12                          | ver videos                   | To watch videos           | <b>En el Futuro – In the future</b>            |                            |                                       |
| 13                          | jugar con videojuegos        | To play videogames        | 39                                             | En el futuro               | In the future                         |
| 14                          | mandar mensajes              | To send messages          | 40                                             | voy a (...) más            | I am going to...more                  |
| <b>Opiniones - Opinions</b> |                              |                           | 41                                             | mis amigos y yo vamos a... | my friends and I (we) are going to... |
| 15                          | ¿Te gusta...?                | Do you like...?           | 42                                             | ¡Será muy divertido!       | It will be very fun!                  |
| 16                          | cuando era más joven         | When I was younger        | 43                                             | Cuando sea mayor           | When I am older                       |
| 17                          | me gustaba                   | I used to like            | 44                                             | Quisiera...                | I would like...                       |
| 18                          | sin embargo ahora            | However now               | <b>Invitando a salir -inviting someone out</b> |                            |                                       |
| 19                          | diría que prefiero           | I would say that I prefer | 45                                             | ¿Te gustaría.... conmigo?  | Would you like to... with me?         |
| 20                          | porque es genial             | Because it's great        | 46                                             | Sí, me encantaría          | Yes, I would love to                  |
| 21                          | También me encanta           | Also I love               | 47                                             | Lo siento                  | I'm sorry                             |
| 22                          | porque es divertido          | Because it's fun          | 48                                             | No puedo                   | I can't                               |
| 23                          | pero odio                    | But I hate                | 49                                             | Tengo que                  | I have to                             |
| 24                          | ya que es aburrido           | Because it's boring       | 50                                             | lavarme el pelo            | Wash my hair                          |
| 25                          | mi pasatiempo favorito es... | My favourite hobby is...  | 51                                             | hacer mis deberes          | Do my homework                        |
| 26                          | porque es muy guay           | Because it's very cool    |                                                |                            |                                       |
| 27                          | y lo hago                    | And I do it               |                                                |                            |                                       |
| 28                          | <b>siempre que pueda</b>     | <b>Whenever I can</b>     |                                                |                            |                                       |
