Murders, Mysteries & The Mousetrap

On Thursday 23 February, students from Years 9 to 11 visited the Yeovil Octagon Theatre to see the National 70th Anniversary Tour of Agatha Christie's 'The Mousetrap'. This Murder-Mystery saw a group of strangers gather at the Monkswell Manor Guest House, where the radio reported that there was a murderer on the loose. The question is, who would be their next victim?

This production is a classic and the world's longest running show, offering a perfect blend of comedy, suspense and intrigue. I would love to tell you more about the play, but we have now been sworn in as holders of the secret.

It's fair to say that Stanchester Academy was the youngest group of audience members at this matinee performance, but we had lots of compliments of how well the students represented both the school and themselves.

Attention now moves to the Year 9 Spring Production of Jim Cartwright's 'Two', which is to be performed 18-21 March in the Hall, with tickets on sale soon. In addition to this we also have the reveal and audition sign up for this year's Summer Production on Monday 6 March in W5 at lunchtime. We hope to see you there.
