### Questions and answers

**I consider myself to have a mixed ethnic background - can I indicate this on the monitoring form?**

You can indicate a mixed ethnic background by ticking as many boxes as required in the Ethnic Origin section alternatively please describe your Ethnic Origin. In all cases this monitoring form is self-classification.

**I am unsure if I have caring responsibilities.**

Part of the Equal Opportunities Policy sets out the Authority's commitment to avoid discrimination on the grounds of domestic responsibilities. This question is self-classification - if you consider that you have caring responsibilities please indicate this.

**I am unsure whether to classify myself as a disabled person.**

Under the Disability Discrimination Act 1995, a person with a disability is defined as having 'a physical or mental impairment which has a substantial and long term adverse effect on his or her ability to carry out normal day to day activities'. Since 2005 the definition includes people who have been diagnosed with HIV, cancer and MS.

It does not necessarily mean that this affects how you do your work. As the definition is not very clear we have provided some examples of the impairments covered. The list is not exhaustive. You may consider that, for example, you have, for a period of a year or more had hearing loss, dyslexia, arthritis, diabetes, asthma, epilepsy or you are partially sighted.

**Why do you need to know if I am currently employed by the Authority?**

The Authority is committed to promoting equality of opportunity and access for all people including those who are employees of the Authority and external or internal candidates applying for a job with the Authority whether full-time, part-time, job share, permanent or temporary.

The Authority is committed to actively monitoring the recruitment and promotion paths of its employees and will regularly review recruitment practices to remove any which are restrictive because they are based on perceived attributes which are irrelevant, or based on assumptions which are unjustifiable in terms of an individual's ability to do a job.

***Thank you for your co-operation. Please return the completed monitoring form with your application form***
